Texas Eastern Transmission Corporation; Notice of Request Under Blanket Authorization

July 24, 1997.

Take notice that on July 17, 1997, Texas Eastern Transmission Corporation (Texas Eastern), 5400 Westheimer Court, Houston, Texas 77056-5310, filed in Docket No. CP97-647-000 a request pursuant to §§ 157.205 and 157.211 of the Commission's Regulations (18 CFR 157.205, 157.211) under the Natural Gas Act (NGA) for authorization to construct and operate delivery point facilities in Yazoo County, Mississippi, for Part 284 transportation services by Texas Eastern, under Texas Eastern's blanket certificate issued in Docket No. CP82-535-000, pursuant to Section 7 of the NGA, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

Texas Eastern proposes to construct and operate an 8-inch tap valve and an 8-inch check valve to serve Mississippi Chemical Corporation (MCC), an industrial end-user. It is stated that MCC will also install a meter, interconnecting

pipeline and electronic gas measurement equipment. It is further stated that Texas Eastern will be fully reimbursed for the \$85,938 cost of installing the tap by MCC. It is asserted that Texas Eastern will use the facilities to deliver up to 80 Mmcf on a peak day. It is further asserted that the volume of gas delivered to MCC will come from existing capacity and will not affect Texas Eastern's peak day or annual requirements. It is explained that the proposal is not prohibited by Texas Eastern's existing tariff and that Texas Eastern has sufficient capacity to accomplish the deliveries without detriment or disadvantage to its other customers.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to § 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
